

# Ampere AI Software End User License Agreement

This Ampere AI Software End User License Agreement ("Agreement"), is a binding agreement between Ampere Computing LLC ("Ampere") and the person or entity identified as the licensee of the Software ("Licensee").

AMPERE PROVIDES THE SOFTWARE SOLELY ON THE TERMS AND CONDITIONS SET FORTH IN THIS AGREEMENT AND ON THE CONDITION THAT LICENSEE ACCEPTS AND COMPLIES WITH THEM. BY CLICKING THE "I ACCEPT" BOX YOU (A) ACCEPT THIS AGREEMENT AND AGREE THAT LICENSEE IS LEGALLY BOUND BY ITS TERMS; AND (B) REPRESENT AND WARRANT THAT: (I) YOU ARE OF LEGAL AGE TO ENTER INTO A BINDING AGREEMENT; AND (II) IF LICENSEE IS A CORPORATION, GOVERNMENTAL ORGANIZATION, OR OTHER LEGAL ENTITY, YOU HAVE THE RIGHT, POWER, AND AUTHORITY TO ENTER INTO THIS AGREEMENT ON BEHALF OF LICENSEE AND BIND LICENSEE TO ITS TERMS. IF LICENSEE DOES NOT AGREE TO THE TERMS OF THIS AGREEMENT, AMPERE WILL NOT AND DOES NOT LICENSE THE SOFTWARE TO LICENSEE AND YOU MUST NOT DOWNLOAD OR INSTALL THE SOFTWARE OR DOCUMENTATION.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT OR YOUR OR LICENSEE'S ACCEPTANCE OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, NO LICENSE IS GRANTED (WHETHER EXPRESSLY, BY IMPLICATION, OR OTHERWISE) UNDER THIS AGREEMENT, AND THIS AGREEMENT EXPRESSLY EXCLUDES ANY RIGHT, CONCERNING ANY SOFTWARE THAT LICENSEE DID NOT ACQUIRE LAWFULLY OR THAT IS NOT A LEGITIMATE, AUTHORIZED COPY OF AMPERE'S SOFTWARE.

1. Definitions. For purposes of this Agreement, the following terms have the following meanings:

"Authorized Users" means Licensee's employees whom Licensee has authorized to use the Software pursuant to the license granted under this Agreement, and who have been made aware of this Agreement and its terms.

"Documentation" means user manuals, technical manuals, and any other materials provided by Ampere, in printed, electronic, or other form, that describe the installation, operation, use, or technical specifications of the Software.

"Intellectual Property Rights" means any and all registered and unregistered rights granted, applied for, or otherwise now or hereafter in existence under or related to any patent, copyright, trademark, trade secret, database protection, or other intellectual property rights laws, and all similar or equivalent rights or forms of protection, in any part of the world.

"Person" means an individual, corporation, partnership, joint venture, limited liability company, governmental authority, unincorporated organization, trust, association, or other entity.

"Software" means the Ampere AI software programs for which Licensee is receiving a license, as expressly set forth herein in Exhibit A.

"Third Party" means any Person other than Licensee or Ampere.

2. License Grant and Scope. Subject to and conditioned upon Licensee's strict compliance with all terms and conditions set forth in this Agreement, including the license conditions and limitations set forth in Section 4, Ampere hereby grants to Licensee a non-exclusive, non-transferable, non-sublicensable, limited license during the Term to permit Authorized Users to:

(a) Download, copy, and install in accordance with the Documentation up to ten (10) copies of the Software and Documentation on computers owned or leased, and controlled by, Licensee. All copies of the Software made by the Licensee:

(i) will be the exclusive property of Ampere;

(ii) will be subject to the terms and conditions of this Agreement; and

(iii) must include all trademark, copyright, patent, and other Intellectual Property Rights notices contained in the original.

(b) Use and run the Software as properly installed in accordance with this Agreement and the Documentation, solely in conjunction with an Ampere system-on-chip and as set forth in the Documentation.

3. Third-Party Materials. The Software includes software, content, data, or other materials, including related documentation, that are owned by Persons other than Ampere and that are provided to Licensee on licensee terms that are in addition to and/or different from those contained in this Agreement ("Third-Party Licenses"). A list of all materials included in the Software and provided under Third-Party Licenses can be found in license files, header files, read me files, and/or source code for such Third-Party Materials, and the applicable Third-Party Licenses are accessible via links therefrom. Licensee is bound by and shall comply with all Third-Party Licenses. Any breach by Licensee or any of its Authorized Users of any Third-Party License is also a breach of this Agreement.

4. Use Restrictions. Licensee shall not, and shall require its Authorized Users not to, directly or indirectly:

- (a) use (including make any copies of) the Software or Documentation beyond the scope of the license granted under Section 2;
- (b) provide any other Person, including any subcontractor, independent contractor, affiliate, or service provider of Licensee, with access to or use of the Software or Documentation;
- (c) modify, translate, adapt, or otherwise create derivative works or improvements, whether or not patentable, of the Software or Documentation or any part thereof;
- (d) combine the Software or any part thereof with, or incorporate the Software or any part thereof in, any other programs;
- (e) reverse engineer, disassemble, decompile, decode, or otherwise attempt to derive or gain access to the source code of the Software or any part thereof;
- (f) remove, delete, alter, or obscure any trademarks or any copyright, trademark, patent, or other intellectual property or proprietary rights notices provided on or with the Software or Documentation, including any copy thereof;
- (g) except as expressly set forth in Section 2(a) and Section 2(c), copy the Software or Documentation, in whole or in part;
- (h) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available the Software, or any features or functionality of the Software, to any Third Party for any reason, whether or not over a network or on a hosted basis, including in connection with the internet or any web hosting, wide area network (WAN), virtual private network (VPN), virtualization, time-sharing, service bureau, software as a service, cloud, or other technology or service;
- (i) use the Software or Documentation in, or in association with, the design, construction, maintenance, or operation of any hazardous environments or systems, including:
  - (i) power generation systems;
  - (ii) aircraft navigation or communication systems, air traffic control systems, or any other transport management systems;
  - (iii) safety-critical applications, including medical or life-support systems, vehicle operation applications, or any police, fire, or other safety response systems; and
  - (iv) military or aerospace applications, weapons systems, or environments;
- (j) use the Software or Documentation in violation of any law, regulation, or rule, including those related to bias or privacy; or
- (k) use the Software or Documentation for purposes of competitive analysis of the Software, the development of a competing software product or service, or any other purpose that is to Ampere's commercial disadvantage.

5. Responsibility for Use of Software; Indemnification. Licensee is responsible and liable for all uses of the Software and Documentation through access thereto provided by Licensee, directly or indirectly. Specifically, and without limiting the generality of the foregoing, Licensee is responsible and liable for all actions and failures to take required actions with respect to the Software and Documentation by its Authorized Users or by any other Person to whom Licensee or an Authorized User may provide access to or use of the Software and/or Documentation, whether such access or use is permitted by or in violation of this Agreement. Licensee shall indemnify, defend, and hold harmless Ampere and its officers, directors, employees, agents, successors, and assigns against all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind (including reasonable attorneys' fees) arising out of or resulting from any third party claim, suit, action, or proceeding related to or arising out of or resulting from the Licensee's breach of any representation, warranty, covenant, or obligation under this Agreement, including any use of the Software outside the scope of the license granted or in contravention of the use restrictions.

6. Compliance Measures. The Software contains technological copy protection or other security features designed to prevent unauthorized use of the Software, including features to protect against any use of the Software that is prohibited under Section 4, such as electronic tracking of a specific number of unique license keys, authorization codes, or similar mechanisms, and which may be performed over a network. Licensee shall not, and shall not attempt to, remove, disable, circumvent, or otherwise create or implement any workaround to, any such copy protection or security features.

7. Maintenance and Support. Ampere shall have no obligation to provide any maintenance and support services. Without limiting the generality of the foregoing, for example, Ampere shall have no obligation to develop any updates or bug fixes, to respond to any requests regarding the Software, or to provide newer versions or releases of the Software. Ampere may, in its sole discretion, provide a forum where Licensee may discuss the Software with Ampere and/or other licensees, but Ampere shall have no obligation to develop such a forum, participate in such a forum if provided, answer any question, or discuss any topic on such forum.

8. Collection and Use of Information. Licensee acknowledges that Ampere may, directly or indirectly through the services of Third Parties, collect and store information regarding use of the Software and about equipment on which the Software is installed or through which it otherwise is accessed and used, and may use such information to (i) improve the performance of the Software or develop updates; (ii) verify Licensee's compliance with the terms of this Agreement; and (iii) enforce Ampere's rights, including all Intellectual Property Rights in and to the Software.

9. Intellectual Property Rights. Licensee acknowledges and agrees that the Software and Documentation are provided under license, and not sold, to Licensee. Licensee does not acquire any ownership interest in the Software or Documentation under this Agreement, or any other rights thereto, other than to use the same in accordance with the license granted and subject to all terms, conditions, and restrictions under this Agreement. Ampere reserves and shall retain its entire right, title, and interest in and to the Software and all Intellectual Property Rights arising out of or relating to the Software, except as expressly granted to the Licensee in this Agreement. Licensee shall safeguard all Software (including all copies thereof) from infringement, misappropriation, theft, misuse, or unauthorized access. Licensee shall promptly notify Ampere if Licensee becomes aware of any infringement of Ampere's Intellectual Property Rights in the Software and fully cooperate with Ampere in any legal action taken by Ampere to enforce its Intellectual Property Rights. If Licensee or any of its Authorized Users submits, orally or in writing, suggestions or recommended changes to the Software, including without limitation, new features or functionality relating thereto, or any comments, questions, suggestions, or the like ("Feedback"), Ampere is free to use such Feedback irrespective of any other obligation or limitation between the parties governing such Feedback. Licensee hereby assigns to Ampere on Licensee's behalf, and on behalf of its Authorized Users, all right, title, and interest in Feedback, and Ampere is free to use, without any attribution or compensation to any party, any ideas, know-how, concepts, techniques, or other intellectual property rights contained in the Feedback, for any purpose whatsoever, although Ampere is not required to use any Feedback.

10. Term and Termination.

(a) This Agreement and the license granted hereunder shall remain in effect for one year from the date that Licensee accepts the terms of this Agreement on Ampere's web portal or the date when Licensee first runs the Software, whichever is earlier, (which acceptance may be tracked by electronic means, including e-mail), unless otherwise terminated as set forth herein (the "Term").

(b) Licensee may terminate this Agreement by ceasing to use and destroying all copies of the Software and Documentation.

(c) Ampere may terminate this Agreement, effective upon written notice to Licensee, if Licensee breaches this Agreement and such breach: (i) is incapable of cure, including but not limited to any use of the Software beyond the scope of the license; or (ii) being capable of cure, remains uncured ten (10) days after Ampere provides written notice thereof.

(d) Ampere may terminate this Agreement, effective immediately, if Licensee files, or has filed against it, a petition for voluntary or involuntary bankruptcy or pursuant to any other insolvency law, makes or seeks to make a general assignment for the benefit of its creditors or applies for, or consents to, the appointment of a trustee, receiver, or custodian for a substantial part of its property.

(e) Upon expiration or earlier termination of this Agreement, the license granted hereunder shall also terminate, and Licensee shall cease using and destroy all copies of the Software and Documentation.

11. Warranty Disclaimer.

THE SOFTWARE AND DOCUMENTATION ARE PROVIDED TO LICENSEE "AS IS" AND WITH ALL FAULTS AND DEFECTS WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, AMPERE, ON ITS OWN BEHALF AND ON BEHALF OF ITS AFFILIATES AND ITS AND THEIR RESPECTIVE LICENSORS AND SERVICE PROVIDERS, EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, WITH RESPECT TO THE SOFTWARE AND DOCUMENTATION, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE, OR TRADE PRACTICE. WITHOUT LIMITATION TO THE FOREGOING, AMPERE PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATION OF ANY KIND THAT THE LICENSED SOFTWARE WILL MEET THE LICENSEE'S REQUIREMENTS, ACHIEVE ANY INTENDED RESULTS, BE COMPATIBLE, OR WORK WITH ANY OTHER SOFTWARE, APPLICATIONS, SYSTEMS, OR SERVICES, OPERATE WITHOUT INTERRUPTION, MEET ANY PERFORMANCE OR RELIABILITY STANDARDS OR BE ERROR FREE, OR

THAT ANY ERRORS OR DEFECTS CAN OR WILL BE CORRECTED.

12. Limitation of Liability. TO THE FULLEST EXTENT PERMITTED UNDER APPLICABLE LAW:

(a) IN NO EVENT WILL AMPERE OR ITS AFFILIATES, OR ANY OF ITS OR THEIR RESPECTIVE LICENSORS OR SERVICE PROVIDERS, BE LIABLE TO LICENSEE OR ANY THIRD PARTY FOR ANY USE, INTERRUPTION, DELAY, OR INABILITY TO USE THE SOFTWARE; LOST REVENUES OR PROFITS; DELAYS, INTERRUPTION, OR LOSS OF SERVICES, BUSINESS, OR GOODWILL; LOSS OR CORRUPTION OF DATA; LOSS RESULTING FROM SYSTEM OR SYSTEM SERVICE FAILURE, MALFUNCTION, OR SHUTDOWN; FAILURE TO ACCURATELY TRANSFER, READ, OR TRANSMIT INFORMATION; FAILURE TO UPDATE OR PROVIDE CORRECT INFORMATION; SYSTEM INCOMPATIBILITY OR PROVISION OF INCORRECT COMPATIBILITY INFORMATION; OR BREACHES IN SYSTEM SECURITY; OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES, WHETHER ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT AMPERE WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(b) AMPERE AND ITS AFFILIATES, INCLUDING ANY OF ITS OR THEIR RESPECTIVE LICENSORS AND SERVICE PROVIDERS, SHALL HAVE NO LIABILITY EXCEEDING ONE HUNDRED DOLLARS (\$100) UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ITS SUBJECT MATTER, UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE.

(c) THE LIMITATIONS SET FORTH IN SECTION 12(a) AND SECTION 12(b) SHALL APPLY EVEN IF THE LICENSEE'S REMEDIES UNDER THIS AGREEMENT FAIL OF THEIR ESSENTIAL PURPOSE.

13. Export Regulation. The Software and Documentation are subject to US export control laws and economic and trade sanctions, including the Export Control Reform Act and its associated regulations. The Licensee shall not, directly or indirectly, export, re-export, or release the Software or Documentation to, or make the Software or Documentation accessible from or by, any jurisdiction, country, person, or entity to which export, re-export, or release is prohibited by law, rule, regulation, or order. The Licensee shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), prior to exporting, re-exporting, releasing, or otherwise making the Software or Documentation available outside the US or to any non-US person or entity.

14. US Government Rights. The Software is commercial computer software, as such term is defined in 48 C.F.R. §2.101. Accordingly, if the Licensee is the US Government or any contractor therefor, Licensee shall receive only those rights with respect to the Software and Documentation as are granted to all other end users under license, in accordance with (a) 48 C.F.R. §227.7201 through 48 C.F.R. §227.7204, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. §12.212, with respect to all other US Government licensees and their contractors.

15. Miscellaneous.

(a) All matters arising out of or relating to this Agreement shall be governed by and construed in accordance with the internal laws of the State of California without giving effect to any choice or conflict of law provision or rule. Any legal suit, action, or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be instituted in the federal courts of the United States of America or the courts of the State of California in each case located in the City of Santa Clara and County of Santa Clara, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such legal suit, action, or proceeding. Service of process, summons, notice, or other document by mail to such party's address set forth herein shall be effective service of process for any suit, action, or other proceeding brought in any such court.

(b) Ampere will not be responsible or liable to Licensee, or deemed in default or breach hereunder by reason of any failure or delay in the performance of its obligations hereunder where such failure or delay is due to strikes, labor disputes, civil disturbances, riot, rebellion, invasion, epidemic, hostilities, war, terrorist attack, embargo, natural disaster, acts of God, flood, fire, sabotage, fluctuations or non-availability of electrical power, heat, light, air conditioning, or Licensee equipment, loss and destruction of property, or any other circumstances or causes beyond Ampere's reasonable control.

(c) All notices, requests, consents, claims, demands, waivers, and other communications hereunder shall be in writing and shall be deemed to have been given: (i) when delivered by hand (with written confirmation of receipt); (ii) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); or (iii) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent (x) if to Ampere, to 4655 Great America Parkway, Suite 601, Santa Clara, CA 98054, Attention: General Counsel; and (y) if to Licensee, to any publicly available business address of Licensee, or to such other address as may be designated by a party from time to time in accordance with this Section 15(c).

(d) This Agreement, together with all exhibits attached hereto constitutes the sole and entire agreement between Licensee and Ampere with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.

For the avoidance of doubt, this Agreement shall govern any use of the Software, notwithstanding any master purchase agreement, master service agreement, or other agreement between the parties, unless another agreement exists between the parties which explicitly identifies the Software described in this Agreement as being subject to its terms.

(e) Licensee shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement, in each case whether voluntarily, involuntarily, by operation of law, or otherwise, without Ampere's prior written consent, which consent Ampere may give or withhold in its sole discretion. For purposes of the preceding sentence, and without limiting its generality, any merger, consolidation, or reorganization involving Licensee (regardless of whether Licensee is a surviving or disappearing entity) will be deemed to be a transfer of rights, obligations, or performance under this Agreement for which Ampere's prior written consent is required. No delegation or other transfer will relieve Licensee of any of its obligations or performance under this Agreement. Any purported assignment, delegation, or transfer in violation of this Section 15(e) is void. Ampere may freely assign or otherwise transfer all or any of its rights, or delegate or otherwise transfer all or any of its obligations or performance, under this Agreement without Licensee's consent. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective permitted successors and assigns.

(f) This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer on any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

(g) This Agreement may only be amended, modified, extended, or supplemented by an agreement in writing signed by each party hereto. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

(h) If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

## Exhibit A – Software

### Ampere AI Software

- Ampere Inference Optimizer (AIO) Library – AI Acceleration Engine
- AIO Examples – Jupyter Notebook, small datasets, model download and command Line scripts to run the AIO demos
- Tensorflow – Python packages, libraries and binaries of Tensorflow framework
- Pytorch – Python package, libraries and binaries of Pytorch framework
